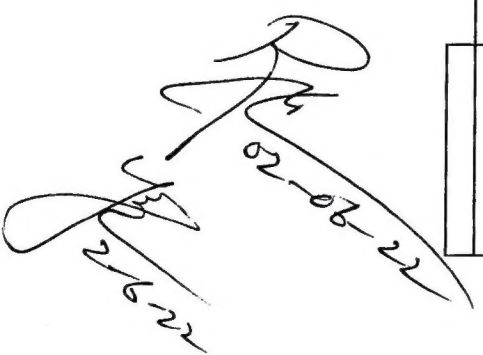
Rubrics : SSC 1st ANNUAL EXAMINATION 2022

Computer Science-II (L) final: 02-06-2022 3:50PM


Q No/ Part No	Rubric Name	Level 1 (Marks)	Level 2 (Marks)	Level 3 (Marks)	Level 4 (Marks)	Level 5 (Marks)
2 (i)	Input/Output	Correct Symbol drawn and Correct Purpose given (01)	Either Correct Symbol drawn OR Correct Purpose given (0.5)	wrong (0)		
	Processing	Correct Symbol drawn and Correct Purpose given (01)	Either Correct Symbol drawn OR Correct Purpose given (0.5)	wrong (0)		
	Decision	Correct Symbol drawn and Correct Purpose given (01)	Either Correct Symbol drawn OR Correct Purpose given (0.5)	wrong (0)		
2 (ii)	Advantages of Drawing Flowchart	Three Correct Advantages(03)	Two Correct Advantages(02)	One Correct Advantage(01)	wrong (0)	
2 (iii)	Differentiation of Syntax and Semantic	Correct Differentiation (2)	Partially Correct Differentiation (01)	wrong (0)		
	Example of Syntax and Semantic	Two Correct Examples, One of Each (01)	One Correct Example of any one (0.5)	wrong (0)		
2 (iv)	Difference between LLL & HLL	Three Correct Differences (03)	Two Correct Differences(02)	One Correct Difference (01)	wrong (0)	
2(v)	Difference between else if & switch	Three Correct Differences (03)	Two Correct Differences(02)	One Correct Difference (01)	wrong (0)	
2 (vi)	Definition of Conditional Statement	Correct Definition (1.5)	Partially Correct Definition (1)	wrong (0)		
	Syntax of Simple if statement	Correct Syntax of Simple if statement (1.5)	Partially Correct Syntax of Simple if statement (01)	wrong (0)		
2 (vii)	Coversion using else -if	Correct Conversion i.e. mentioning atleast three correct conditions (03)	Partially Correct Conversion i.e. mentioning atleast two correct conditions (02)	Mentioning only one corect condition (01)	wrong (0)	
2 (viii)	Coversion using nested while loop	Correct Conversion i.e. correct initialization, condition and increment statement for outer/nested while loop (03)	Correct usage of any Two aspects (02)	Correct usage of any one aspect (01)	wrong (0)	

2 (ix)	Definition of Logic Gate	correct Definition (01)	Partially Correct Definition (0.5)	wrong (0)		
	Drawing and Labeling of OR gate with possible combinations	Correct Drawing and Labeling of OR gates for Four possible operations / Correct Drawing of OR gate and truth table for four possible combinations(02)	Correct Drawing and Labeling of OR gates for Three operations/ Correct Drawing of OR gate and truth table for three possible combinations (1.5)	Correct Drawing and Labeling of OR gates for Two operations / Correct Drawing of OR gate and truth table for two possible combinations (01)	Correct Drawing and Labeling of OR gates for One operation / Correct Drawing of OR gate and truth table for one possible combinations (0.5)	wrong (0)
2(x)	Truth Table	Correct Definition of Truth Table (01)	Partially Correct Definition of Truth Table (0.5)	wrong (0)		
	Drawing Truth Table	Correct Truth table with all possible inputs, two sub expressions and final output (02)	Correct Truth table with any three aspects (1.5)	Correct Truth table with any two aspects (1)	Correct Truth table with any one aspect (0.5)	wrong (0)
2 (xi)	Drawing Logic Circuit	Correct Drawing of Logic Circuit with inputs, two sub AND gates and one final OR gate (03)	Correct Drawing of Logic Circuit with any two aspects (02)	Correct Drawing of Logic Circuit with any one aspect (01)	wrong (0)	
2 (xii)	Search Engine	Correct Definition/purpose/usage (01)	Partially Correct Definition/purpose/usage (0.5)	wrong (0)		
	Home Page	Correct Definition/purpose/usage (01)	Partially Correct Definition/purpose/usage (0.5)	wrong (0)		
	Web Hosting	Correct Definition/purpose/usage (01)	Partially Correct Definition/purpose/usage (0.5)	wrong (0)		
2. (xiii)	Purpose of *Order List* HTML tag	Correct Purpose/usage (01)	Partially correct purpose/usage (0.5)	wrong (0)		
	Purpose of *Anchor* HTML tag	Correct Purpose/usage (01)	Partially correct purpose/usage (0.5)	wrong (0)		
	Purpose of *Underline* HTML tag	Correct Purpose/usage (01)	Partially correct purpose/usage (0.5)	wrong (0)		
	i. Difference between Assignment & Equal to with examples	Correct Differentiation with two Examples of one each (02)	Either correct differentiation OR Two examples of one each (1)	Either partially correct differentiation OR One example of anyone (0.5)	wrong (0)	

02-06-22

2-6-22

3	ii. Prefix and Postfix increment AND decrement operrators with examples	Correct Differentiation between prefix and Postfix increment operators with one example of each (03)	Either correct differentiation OR Two examples of one each (2)	Either partially correct differentiation OR One example of anyone (1)	Wrong(0)	
		Correct Differentiation between prefix and Postfix decrement operators with one example of each (03)	Either correct differentiation OR Two examples of one each (2)	Either partially correct differentiation OR One example of anyone (1)	Wrong(0)	
4	a. Break and Continue Statements	Correctly explaining the use of both break and continue statements with example of one each (4)	Correct explanation AND One examples of anyone (3)	Either correct explanation OR Two examples of one each (2)	Either partially correct differentiation OR One example of anyone (1)	Wrong(0)
	b. Writing Program to produce the given output	Writing Correct Program including Correct Structure, correct use of outer & nested loops and use of correct output statement (04)	Any three aspects (03)	Any two aspects (02)	Any one aspect (01)	wrong (0)
5	Description of Web Portal	Correct Description (02)	Partially Correct Description (01)	Any relevant description(0.5)	Wrong (0)	
	Description of Educational Websites	Correct Description (02)	Partially Correct Description (01)	Any relevant description(0.5)	Wrong (0)	
	Description of Business Websites	Correct Description (02)	Partially Correct Description (01)	Any relevant description(0.5)	Wrong (0)	
	Description of NEWS Website	Correct Description (02)	Partially Correct Description (01)	Any relevant description(0.5)	Wrong (0)
